

STATEMENT OF WORK

SOW #001

This Statement of Work ("SOW") is made and entered into on December 2, 2024, (the "SOW Effective Date"), by and between Coalesce.io, "Prime"), and HAKKODA, INC., a Delaware corporation ("Hakkoda") for work performed by Hakkoda, as subcontractor to Prime for the Alberta Health Service ("Customer"). This SOW is deemed to be incorporated into the Technology-Enabled Service Agreement dated November 21, 2024, by and between Coalesce and Hakkoda (the "Agreement"). All terms and conditions of the Agreement are incorporated into this SOW as if fully set forth herein. If there is any conflict between a provision of the Agreement and this SOW, the Agreement will control. Any terms used herein but not defined shall have the meaning ascribed to such term in the Agreement.

Scope and Description of Services to be provided:

Hakkoda will review the Customer's REDCap deployment and assess its current infrastructure, staffing, and processes to address growing complexity and demand. The outcome will include a review of the current environment and offer actionable recommendations for optimization, delivered in a single PowerPoint presentation. The presentation will consist of the following:

- Review of Current State
 - Architecture Assessment: Overview of the existing REDCap infrastructure, including existing on-premises servers, Epic integration, high availability/disaster recovery, and security.
 - Staffing Model: Evaluation of current support structure relative to demand.
 - Operational Processes: Assessment of intake, project management, and collaboration.
 - Security & Governance: Review of governance practices, security, and compliance.
- Recommendations
 - Future State Architecture: Evaluation of cloud migration and infrastructure improvements.
 - Staffing Model: Proposed changes to support growing REDCap usage.
 - Process Optimization: Recommendations to streamline processes and improve efficiency.
 - Governance & Security Enhancements: Strengthening governance and security measures.
 - 1-3 Year Roadmap: Phased roadmap with key milestones, cost estimates, and timelines.

Assumptions:

1. All Services delivered by Hakkoda will be performed and executed remotely. There is no expectation for onsite work or related travel expenses.
2. The Hakkoda team will not require direct access to Customer systems, networks or applications in order to fulfill the scope of this SOW.
3. The Customer will provide dedicated Business Stakeholder(s) (who has/have a thorough knowledge of business processes, rules, and regulatory requirements) to provide requirements for business terms, processes, and procedures.
4. The Customer will designate a Product Owner / Primary Contact who is responsible for the definition, prioritization, acceptance, communication, delivery, and risk management for all requests and/or related work items delivered by Hakkoda as part of the Services outlined.
5. The Customer will provide technical subject matter experts to review the existing configuration of tools with Hakkoda.
6. The Customer will provide access to documentation/artifacts relevant to the SOW at the end of week 1.

Term:

The term of this Agreement shall begin on or after December 2, 2024, and continue for an estimated 2 months. This SOW may be extended for additional periods on a month-to-month basis, as mutually agreed upon in writing by Hakkoda and the Prime.

Fees to be paid for the Services: Hakkoda will be paid on a time and materials basis for \$17,517.00 for the full delivery of this SOW. We will submit two invoices to the Prime for \$8,758.50. Prime agrees to pay Hakkoda within ten (10) business days of collecting the Fees from the Customer.

The services will be performed by the Hakkoda team, as shown in the table below:

Resource	Locale	Start Date	End Date	Hours	Total
Director	US	2-Dec-24	31-Jan-25	55	\$17,517.00

Acceptance Criteria:

Hakkoda will perform the Services in a professional and workmanlike manner. Hakkoda will, as its sole liability for failure to meet this warranty, (a) re-perform the non-conforming Services or (b) re-deliver a conforming version of the non-conforming deliverables at no additional cost to the Prime or the Customer if, in either case, notified of the non-conformity within five (5) business days of delivery of the applicable Service or Deliverable.
